GOVERNOR DUMMER OPENS WITH RECORD ENROLLMENT

SCHOOL CALENDAR, 1946-47

Thanksgiving Vacation: Wed. morning, Nov. 27, to 8:30 p. m. Sun. evening, Dec. 1, 1946.

Christmas Vacation: Wed. morning, Dec. 18, to 6:30 p. m. Mon. evening, January 6, 1947.

Spring Vacation: Sat. morning, March 8, to 8:30 p. m. Sun. evening, March 30, 1947.

GOVERNORS TO ENTERTAIN WINSOR SCHOOL AT CONCERT

On Saturday, December 14, the Governors will entertain the Winsor School Glee Club at the Academy on the occasion of their second combined concert. The Governor Dummer singers were the guests of the Winsor School at a Christmas concert in Brookline last December.

Although, according to reports from Mr. Sager, the tryouts have not yet been completed, the club appears to be of unusually fine quality. Twenty-four of last year's performers are back again this year, among them Pete Sutton, last year's president and soloist. Of the one hundred or more boys who applied this fall about forty-five will probably be accepted, thus bringing the organization to a record membership of approximately seventy boys. Mr. Sager has selected a wide variety of new music, both light and classical. Among the new numbers are several Bach chorales and the *Seasons* of Haydn. Highlights of the clubs schedule this year will be combined concerts with Abbot Academy, Bradford Junior College, Walnut Hill School, and Waynflete School.

INGHAM HOUSE PROVIDES FOR THIRTY-NINE MORE BOYS

Governor Dummer opened its 184th year on Tuesday, September 17, with a record enrollment of 210 boys. Ingham House, the new dormitory begun last fall, was ready to receive 39 boys, and every other available space in the school was filled. In fact, owing to the tremendous pressure of applications, attic space in the Phillips Building and also in the Mansion House, not intended for boys' use, was made available for housing. Even so, a large number of well-qualified candidates had to be refused throughout the summer.

This year seventeen states are included on the Academy's roster, and as usual a large proportion of the resident students come from outside New England. States outside Massachusetts with the heaviest registration include New York, Maine, New Hampshire, Connecticut, New Jersey, Illinois, and Ohio. There are also boys from Michigan, Texas, California, Delaware, Indiana, Kentucky, Pennsylvania, Rhode Island, Vermont, Virginia and Wisconsin. A complete roster of the school will be found on pages 15, 16, 17, and 18.

HEADMASTER APPOINTED TO COMMITTEE TO VISIT HARVARD

Mr. Eames has recently been appointed by the Board of Overseers of Harvard to serve as a member of the Committee to Visit Harvard College. Senator Leverett Saltonstall is chairman of this committee.

The visiting committees of the Overseers have constituted for many years an integral part of Harvard's educational system. They serve the many departments and faculties of the university by bringing together staff members and those outside for purposes of consultation and advice.

Vespers

September 22: The Reverend Palfrey Perkins of King's Chapel, Boston.

September 29: The Reverend John Nicol Mark of the Unitarian Church, Arlington.

October 6: The Reverend Richard I. Schaper of the Byfield Parish Church.

October 13: Mr. Edward Pulling, Headmaster of the Millbrook School, Millbrook, New York.

October 20: Mr. William G. Saltonstall, Headmaster of Phillips Exeter Academy, Exeter, New Hampshire.

* * *

Mr. Perkins called for a fuller understanding of the beatitudes. The blessed are those who have learned to live with their best selves. We should drop old ideas of what constitutes power. Money, weapons and the other material things have from time immemorial led to wars and periods of worldwide misery. Ideals, hopes and dreams backed by determination and resourcefulness, can bring the world to that period of unbroken peace which has ever been the goal of mankind.

* * *

Reverend Mark spoke of "Faith or fear, the mood of the hour." Some people believe,

he said, that fear began when Adam fell from grace. Others think that fear had its origin in primitive man, and that any of our present fears are merely throwbacks to those of our ancestors. In either theory, fear belongs to the lower and more primitive nature, while freedom from fear places us on a higher plane.

* * *

Mr. Schaper spoke on finding God. All of us in time of physical or emotional stress look to God for help. At these times, he said, we do not want that kind of religion which Karl Marx characterized as "the opiate of the people." We want a constructive philosophy which, by showing us God, restores us to equanimity of spirit.

* * *

Mr. Pulling stated that character was basic in one's life; that it is like morale to a football team, patriotism to a country, or school spirit to a school. We can judge a person's character by seeking in him honesty, friendliness, and consistency. Character is not inherent. It must be cultivated and practised like any other worthwhile thing.

* * *

Mr. Saltonstall recalled the advice of that ragged Greek philosopher, Socrates, "Know thyself." It is not so much the learning that comes from books that makes this school important to us. Our relationship with other fellows, and with masters is what counts most.

INGHAM HOUSE

INGHAM HOUSE COMPLETED FOR RE-OPENING OF SCHOOL

Ingham House, a new dormitory to house thirty-nine boys, two single masters, and a married master and his family, was ready for occupancy at the opening of school this year. Designed by Mr. Walter H. Kilham of the Boston firm of Kilham, Hopkins, and Greeley, it stands on the hillside above the varsity hockey pond. The Walsh Construction Company of Salem began work on the building last fall and all year students watched with interest the progressive stages of construction and acted in the role of 'sidewalk superintendents'. When school closed last June completion of the building seemed remote, but September 17 found it ready in all essentials for the arrival of its first occupants.

As the picture above shows, the new dormitory was still incomplete in some of its details; shutters and screens were not yet in place and the landscaping had not been finished. The necessities and even 'extras' of comfort and convenience were in readiness, however, and from all reports, Ingham House is a resounding success with the boys assigned to live there.

The new dormitory is 156 feet long and 38 feet wide. Three stories appear on the side facing the hockey pond; the south facade facing up the slope has only two stories visible because of the rising level of the ground. At the west end of the building, one whole three story unit has been devoted to a home for Mr. Sager and his family. The central and eastern sections are occupied by boys rooms. Each boy's room measures 9 feet in width and 12 feet in length and has a large closet. Each floor includes an unmarried master's room with private bath. The basement includes a well-equipped photographic laboratory, trunk rooms, bicycle space and two commons rooms.

The actual capacity of the new dormitory does not result in the impression of monotonous size on the exterior. The facade facing up the slope looks like that of a good-sized private New England dwelling, and the facade facing the campus is relieved by a graceful colonnade on the ground story. The building is planned in three units, joined by connecting blocks. Thus monotony is avoided and the real length of the building effectively dissimulated. When the building is complete its brick exterior will be painted white and this, too, is expected to enhance its charm.

ALUMNI REPORT PROGRESS IN RAISING 1763 FUND

The 1763 Fund launched by the Governor Dummer Alumni Association in a meeting at the Academy last Spring has made sizeable strides during the summer. At the latest tally over \$2,000 had been subscribed by former students.

According to plans laid at last spring's business meeting, the entire amount of the Fund will be given to the school as a free gift. The only special condition provided that some proportion of the total, not to exceed 10%, be placed in a special fund in perpetuity, the income only to be spent as the Trustees direct.

The elected officers of the Alumni Association have led the campaign with the assistance of other members. Among those who have been particularly active to date are: Richard F. Schanzle, '37, president; Gerald May, '26, vice-president; Percy Goodale, '36, secretary-treasurer; and John L. Newman, '39, Frank S. Abbott, '35, Calvin P. Eldred III, '33, and Benjamin B. Brewster, '43, all members of the Executive Committee of the Alumni Association.

RIFLE CLUB PROGRAM ACTIVE IN THIRD YEAR AT ACADEMY

The Governor Dummer Rifle Club opened its year with an unusual feat of strength. Because of the location of Ingham House, the new dormitory, the rifle range was condemned. The 42 members of the club were faced with the problem of abandoning their large and convenient shooting shack or moving it to a new site about twenty-five yards from the original one. Numbers and young energy favored removal, and the members of the club picked up the house and walked with it to its new location. Since the shack weighs approximately a ton, this was something of an accomplishment. In the process of moving, the house was turned completely around so that the range now faces in almost exactly the opposite direction from the school. The chore accomplished, the club members have begun their regular rifle practices, and the woods south of the school resound with their shooting.

In addition to outdoor practice, indoor "dry shooting" has been arranged by Mr. Williams in his study.

HEADMASTER'S CALENDAR

July 25: The Headmaster attended a meeting of the Advisory Committee appointed by the State Department of Education to consider the problem of surplus property.

NEW LABORATORY BUILT FOR SCHOOL CAMERA CLUB

The Camera Club has been provided with a fine new darkroom this year and has begun its activities with high hopes and aspirations. The photo laboratory is in the basement of Ingham House and is equipped with all the cabinets, chemicals, and other paraphernalia necessary to the work of the organization. Mr. George Chase, father of George Chase who is now a member of the Camera Club, recently presented a new enlarger to the school for use in the laboratory. Mr. Carruth, faculty advisor of the organization, has outlined a tentative program of activities for the year, including several photographic field trips and an exhibition at the close of the school year.

Election of officers was held on Sunday, October 20. The following officers were elected: Deane Morrison, president; George Chase, secretary, and Stephen Graves, treasurer.

A GROUP OF YOUNGER BOYS IN MASON COTTAGE

VESPERS SPEAKERS FOR NEXT FIVE WEEKS ANNOUNCED

Vespers service at 8:15 on Sunday evening is one of the most important events of the Academy's week. Many parents and friends of the Academy enjoy coming to these meetings. With this in mind the editors print below a list of speakers who will address the students at Vesper Services from now to the Thanksgiving Recess.

October 27: The Reverend Stanley E. Anderson of the Belleville Congregational Church, Newburyport.

November 2: The Reverend Markham Stackpole, formerly school minister of Milton Academy.

November 10: Dr. Henry M. B. Ogilby, of the Church of Our Saviour, Brookline.

November 17: Dr. Everett C. Herrick, formerly President of the Andover-Newton Theological Seminary.

November 24: Dr. Allan V. Heely, headmaster of the Lawrenceville School.

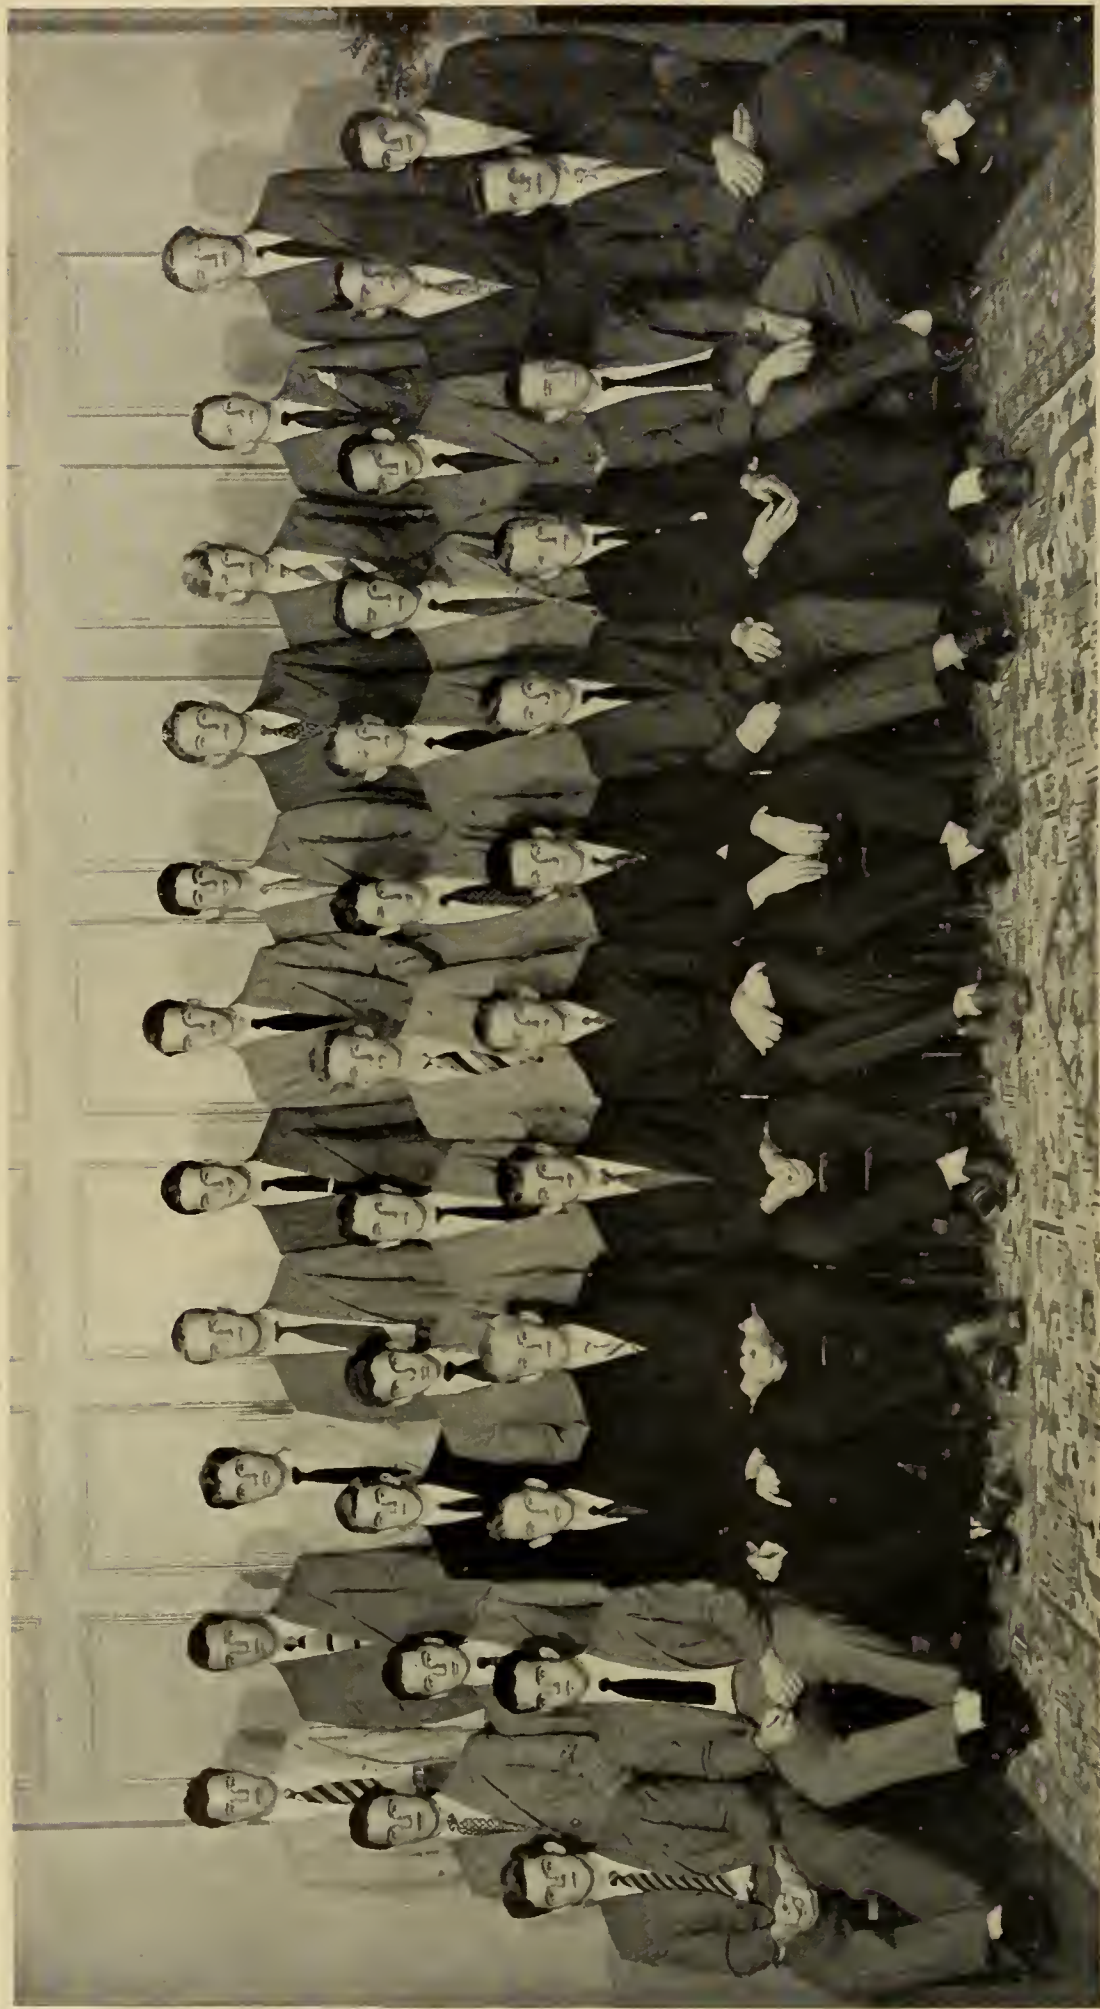

INFIRMARY MOVED TO LARGER QUARTERS IN DUNCAN HOUSE

MASON COTTAGE TO HOUSE YOUNGER Boys

The increased size of the school this year necessitated expansion of infirmary facilities. Mason Cottage, which served as infirmary from 1938 to the present year, had regular accommodations for only seven boys. Duncan House was therefore remodeled at the beginning of this year to replace Mason as school infirmary.

The new infirmary will provide a larger waiting room, an office for the school doctor in addition to the regular dispensary, and beds for fourteen patients. Miss Cora M. Kaye will be in charge again and this year she will be assisted by a second full-time nurse, Miss Carmen M. Kaup. Both nurses will make their home in Duncan.

Mason Cottage has been converted into a home for six younger boys, all freshmen. The first floor of this cottage was altered to provide an apartment for Mr. and Mrs. Bright.

YOUNGER BROTHERS NOW IN SCHOOL

First row, *left to right*: Hoover Sutton' and Peter Sutton; Peter Statler, brother of Albert Statler '45; Donald Woehomurka, brother of the late Adolph Woehomurka '38; Archer desCognets, brother of Louis desCognets '41; David Ellsworth, brother of Warren Ellsworth, Jr. '46; Kevin Gaffney, brother of Thomas Gaffney '37; and the late Robert Gaffney '40; Harry Honeier, brother of Lon Honeier '45; Webster Kitchell, brother of Francis Kitchell '35, Parker Kitchell '36, and Samuel Kitchell '38; David Duffy, brother of George Duffy, II '46; Raymond Williamson, brother of Irvine Williamson '45.

EDITORIAL

This year it is harder to get into college than ever before. Every college is overcrowded, and many have waiting lists running into the thousands. Returning veterans deserve and have first choice, and this alone would account for the extraordinary pressure on colleges. There is in addition to this, however, the increased recognition of the importance of a college education. Good jobs are getting scarcer for those who are not well prepared, and for those wishing to enter the professions, a college degree is practically imperative.

The colleges to which Governor Dummer sends its graduates have all reported record enrollments this fall. Harvard has registered 11,700 students; so crowded is this university that many of its students will know campus life only through the classroom and will live miles away. Dartmouth received

between 10,000 and 12,000 bona fide applications for admission this year and had places for only 200 new boys. Williams had 1,150 applications for the 160 places available in its freshman class. And so it is with many other colleges where the Academy's graduates have normally gone. It is no longer a question of getting into the college of one's choice. It is a question of getting into college.

At the beginning of this school year each of us who hopes to go to college is faced with this problem. We must adjust ourselves to our work accordingly. Only the best qualified students are going to be accepted by the colleges of their choice, and those whose records are in any way questionable, academically or otherwise, are going to find it hard to gain admission anywhere. Average work is no longer enough. The days of the "gentleman's C" are over for aspirants to a higher education. Christopher Morley described college life in the 1920's as "a decent, sober way to grow old enough to enter business." That kind of college life is over, at least temporarily. "Conscientious objectors in the battle of learning" are no longer welcome.

Dean Leighton, a member of the Board of Admissions at Harvard, told us last year at the Cum Laude induction that this extraordinary pressure is likely to last for several years. This means that not only the upper-classmen but every student now in school is affected. We have a bigger job to do than ever before, and we must do it better. If we start off this fall with this thought firmly in mind, we can make this a good year.

SOCCER TEAM DEFEATS MILTON IN HOT CONTEST BY 4-3 SCORE

The Red and White soccer team played one of its finest games of recent years to defeat a strong Milton outfit 4-3 on Whipple Field, October 19. The Governors pressed hard from start to finish and kept the ball in Milton territory most of the afternoon. Captain Morgan led his squad with a zest that kept the spectators, as well as the players, on their toes. Three of the Governors' scores were accounted for by Mac McCusker a newcomer to soccer this fall. The first two goals he headed into the net and the third he flipped off his chest like a veteran. The fourth goal for the home team was scored by Ash Eames on an angle shot.

This last score for the Governors came in the final period when only a few minutes remained in the game. The whole team played a heads-up game and kept the pressure on to the very end.

Line-up: g, Freeman; rfb, Heyl; lfb, Mayo; chb, Morgan (Captain); lhb, Wagner; rhb, Curtis; ol, Eames; il, Bailey; cf, Hughes; ir, McCusker; or, Houston.
Substitutes: McCallum, Deering, J., Sanders, Leary, Veasey, Leighton. Brown, N., McLaughlin, Lagemann, Miles.

GOVERNORS UPSET GROTON, 14-6

The Governors' football team opened its season on a winning note by defeating Groton 14 to 6 on Morse Field, Saturday, September 28. Paced by Captain Pete Sutton, the Red and White team scored early in the first period after a sixty yard march to the goal line. Pete scored the touchdown on a short end sweep, after long runs by Ed Rogers and the Suttons. A pass from Tom Magoun to Blake Ireland accounted for the extra point.

Groton came back fast to score in the second period after a fifty yard march, but the Governors blocked the try for the extra point. Late in the second period the Governors almost scored again when Hoover Sutton plunged over. Unfortunately the officials ruled that a back had been illegally in motion so the score did not count.

The Red and White team's second score came in the third period on a thirty yard gallop by Brock Martin. The extra point again came on a pass, this time from Pete Sutton to Tom Magoun.

The game was featured by the brilliant end play of Brad Harlow and by the steady work of the entire line throughout the game.

GOVERNORS LOSE TO THAYER IN HARD FOUGHT GAME

The Red and White bowed to a big Thayer eleven at South Braintree on October 5 to the tune of 12-7. The Thayer team started out in the first quarter and made one march after another behind excellent blocking and running. They scored in the first period on a long pass into the end zone. Their next and last tally came in the second period when they intercepted a flat pass and ran it back 60 yards for a touchdown. Both conversions failed. The second half showed an entirely different Governors' team. They received the kickoff and after a series of line plunges that netted 25 yards, they scored when Captain Pete Sutton whipped a 20 yard pass to Brad Harlow on the 20 yard line. Brad swivel-hipped through three tackles for the score. Ed Rogers scored the extra point on an off-tackle smash. The Thayer team couldn't do much against this inspired Red and White line in the second half, and the Governors threatened several times. For the Governors Brad Harlow was superb in his end play.

J. V. SCORE 12-0 VICTORY OVER HAVERHILL FRESHMEN

On Friday, October 11, the Governors' J. V. football team emerged victorious by a score of 12-0 over the Haverhill High School freshman team in a game played on Morse Field.

Pacing the Red and White attack were Dave Ellsworth, Bob Gaudin (captain for the game), and Dick Attwill. Though inexperienced, the home aggregation displayed an offense which soon proved too potent for the opponents. In the first half the Governors' ground attack consistently ate up the yardage until Attwill plunged over from the five yard line.

The second touchdown came via the aerial route with Gaudin receiving a pass from Edington. Immediately after this second score the Haverhill team put on the pressure and drove almost to the Governors goal. The Red and White players stemmed the tide just in time and preserved the shut-out.

The starting line-up for the Governors: le, Gaudin; lt, Richard; lg, Case; c, White; rg, Randall; rt, Allen; re, Long; qb, Edington; lhb, Ellsworth; rhb, Adams; fb, Attwill.

HARVARD FRESHMEN DOWN GOVERNORS IN SOCCER, 2-0

The soccer team opened its season with a hard-fought battle against the Harvard Freshmen at Cambridge on October 2.

The first half of the game was evenly balanced between Harvard and Governor Dummer. The Governors' forward line often brought the game into Harvard territory, but any chance to score was killed by Harvard's able fullbacks. Pete Houston on the right outside spearheaded these attacks. Harvard also failed to score in this period because of John Veasey's saves in the goal and the defensive work of Dana Mayo and John Heyl.

In the third quarter Harvard scored unexpectedly when the ball was centered from the wing. Pete Morgan, captain of the Harvard team and an ex-Governor Dummer player, scored the last point for Harvard.

J. V. SOCCER TEAM LOSES TO ANDOVER CLUB TEAM, 5-1

An Andover Club Soccer team defeated the Governors' J. V. aggregation by a score of 5-1 at Andover, October 10. The lone tally for the Red and White was made by Dave Yesair, a newcomer to the Academy and to soccer. Outstanding for the Governors was Bob Hill, J. V. captain.

Starting line-up: lo, Palais; li, French; cf, Yesair; ri, Deuble; ro, Hill; lhb, Graves; chb, Kenny; rhb, Lunt; lfb, Collins; rfb, Carver; g, Barry.

GOVERNORS BATTLE MILTON TO 13-13 TIE

Governor Dummer's football team went to Milton on October 19 and fought a powerful Milton aggregation to a 13-13 tie. The Governors carried the play to Milton from start to finish and, in the hectic fourth period, just missed scoring a winning touchdown.

After Milton had scored in the first period and failed to convert the extra point, the Red and White team drove from their own 40 yard line to the Milton 3, with Pete Sutton and Brock Martin doing most of the carrying. On the three Milton stiffened and took the ball on downs. On the next play Milton kicked out to its 47 yard line, but the Governors recovered that lost yardage when Pete Sutton tossed a pass to Brock Martin and Martin crossed the end stripes.

Milton scored again early in the third period and this time converted the extra point. The Governors retaliated with another march down the field which carried them from their own 17 to Milton's 29 by the end of the period.

In the last period the Red and White attack continued and culminated with a touchdown scored when Pete Sutton shovelled a short pass to Brad Harlow. The Governors missed their extra point and the game ended 13-13.

Line-up: le, Merrow, Harlow; lt, Philbrick, Dunker; lg, Gaffney, Knowlton; c, DuGrenier; rg, Lowell; rt, Feeley; re, Ireland; qb, Magoun, Rogers; lhb, P. Sutton, Welch; rhb, Martin, Dowse; fb, H. Sutton.

EXETER DEFEATS GOVERNORS' SOCCER TEAM BY 4-1 SCORE

The Governor Dummer soccer team, facing a strong Exeter team on Whipple Field, October 9, was unsuccessful in its second quest for a victory. The Academy's eleven made their initial goal of the season on a fine center by Captain Morgan and a beautiful shot by center Allan Hughes. The Exeter team came roaring back and their right inside quickly dead-locked the contest. The score at the half was Exeter 2, Governor Dummer 1. In the second half the Exeter line continued to press, and they led at the end of the third period by three goals. The Governors kept the ball in Exeter's territory in the final period, but they were unable to score.

The play of Houston at wing and the three Governor Dummer halfbacks featured the game. The whole team showed great improvement in the course of the game and gave promise of better results later in the season.

The line-up: g, Freeman; rfb, Heyl; lfb, Mayo, Miles; rhb, Curtis; lhb, Captain Morgan; hb, Wagner; ro, Houston, Leary; ri, McCusker, J. Deering; c, Hughes, Sanders; li, Bailey, McCallum; lo, Leighton, Hall.

BELMONT HILL BOWS TO GOVERNORS IN SOCCER, 3-0

The Governor Dummer soccer team defeated Belmont Hill, 3-0, at South Byfield on October 11. After a scoreless first period, Heyl, the Red and White fullback, scored on a penalty kick to send the home eleven on its way to the initial victory of the season. In the closing minutes of the first half, Wagner made the score 2-0 on a beautiful boot.

Belmont Hill fought back with tremendous spirit but were unable to stem the attack against their goal. The Governors continued to press, and in the third period Ash Eames scored the final goal of the game.

KIMBALL UNION HANDS GOVERNORS BAD DEFEAT

On Saturday, October 12, a big and aggressive Kimball Union eleven trounced the Governors to the tune of 33-0 on Morse Field. The Red and White team played valiantly but were unable to stem the Black and White wave that rolled down the field on repeated power plays and passes.
